Come and learn how watershed issues affect you and your family.

Be prepared to look at a comprehensive plan for watershed health crafted by members of your community.

If **YOU** own property or live in the Lower Mokelumne River Watershed, this is your chance to review and comment on this voluntary, non-regulatory draft plan.

### **Mokelumne River Watershed**

The community open house for the Lower Mokelumne River Watershed Stewardship Plan will be of interest to adults and children alike. A wide variety of groups will have booths with informational booths and displays from 2:00–7:00 p.m.

### **Try a Taste of the Watershed**

As part of the community open house, agricultural products produced within the watershed will be available **FREE** to those attending from 5:00–7:00 p.m. Taste of the Watershed will feature complimentary wine tasting, tri-tip and other beef products, nuts, cheese, milk, and fruit juice.

Bring a taste for wine, your appetite, and a friend to the Mokelumne River Watershed Stewardship Plan Community Open House.
